St Mary's Primary Academy Development Plan 2017 - 18

Edition 4 dated 19/03/18

Green = completed Blue = Spring additions/amendments

Key priorities for 2017 – 2018

The Academy must continue to focus on teaching and learning priorities, particularly core subject improvement. We must start the academic year building on the Ofsted 'good' assessment, and focus on reading, writing and maths next steps. Staffing remains key and has the potential to undermine improvements – we must ensure KS2 staff issues are resolved and teaching stability provided to the pupils. If we are to be the best primary locally we need to continue to raise attainment and accelerate progress, particularly in KS2. We need to continually ask what are we trying to do, how we monitor the plan and how we identify/resolve issues.

- Priority 1** To raise attainment and progress in reading, writing and maths.
- Strengthen maths development through Singapore bar and 'Maths No Problem' (MNP) curriculum
 - Develop the teaching of reading, particularly comprehension
 - Strengthen writing development through sustained use of 'Talk for Writing' (T4W)
 - Teacher planning is matched to pupil needs
 - SEND provision is audited, monitored and positive progress to close gaps achieved.
- Priority 2** To strengthen teaching and support teacher development.
- Provision of high quality teacher CPD
 - All EY adults have appropriate training
- Priority 3** To improve behaviour and safety within the academy community.
- Develop behaviour management through Rights Respecting Schools (RRS)
 - Effective and supportive nurture and safeguarding systems in place
- Priority 4** To provide a sustainable fiscal plan, supportive to the teaching and learning needs.
- In year budget managed effectively and future budgets planned to support learning priorities

Last Ofsted (June 2017)

What the school should do to improve further:

'Improve teaching and thereby outcomes in reading, writing and mathematics to consistently good, by making sure that':

- Plans to further strengthen new approaches to the teaching of reading, writing and mathematics are fully implemented, so that the improvements already seen are built upon and sustained,
- Teachers, especially those who are new to the academy, continue to benefit from high quality training and opportunities to learn from other teachers, both within and outside the academy,
- All adults in the early years have appropriate training to ensure that their interactions with children have the maximum impact in moving learning on,
- Teachers' planning ensures that lessons are well matched to all pupils' learning needs, in order to engage them and challenge them appropriately.

To raise attainment and progress in reading, writing and maths.

- Strengthen maths development through Singapore bar and 'Maths No Problem' (MNP) curriculum
- Develop the teaching of reading, particularly reading comprehension
- Strengthen writing development through sustained use of 'Talk for Writing' (T4W)
- Teacher planning is matched to pupil needs
- SEND provision is audited, monitored and improvement evidenced

Current situation		Desired Outcome		Success criteria	
Need to improve reading and writing outcomes in KS1 and 2, and maths across all cohorts. Show consistency in teaching and evidence accelerated learning. Growth mindset introduced but needs to be fully embedded. Handwriting/presentation improving. SEND monitoring in place but assessment of impact and value for money problematic.		Improved KS2 outcomes (reading and writing to national average, maintain maths above average). KS1 results consistently at or above national average. SEND monitoring shows impact of interventions and SEN pupil progress. Growth mindset known and acted upon by all pupils. Revised timetable will provide for 90 minutes reading/writing daily.		Growth mindset fully embedded within school. Clear progress in reading/writing attainment and progress - maths maintained at above national average across all year groups. Clear SEND monitoring system in place with closing gaps.	

To improve behaviour and safety within the academy community.

- Develop behaviour management through Rights Respecting Schools (RRS)
- Effective and supportive nurture and safeguarding systems in place (Nurture Award scheme)

Priority 3		To improve behaviour and safety within the academy community.			
Target/Tasks	Actions	Responsibility	Monitoring	Funding and resources	Outcome and interventions
3.1 3.5					Completed
3.2 Introduce Rights Respecting Schools (RRS) in classroom	Class and whole school charters. Ethos of RRS embedded in behaviour management by all staff	SLT	SLT and Governing Body	Nil (but may be future resourcing implication - Award scheme or stationary/art resources £75 spent on RRS resources including posters	Intro complete - school council taking RRS agenda forward
3.3 E-safety workshops and social media updates for KS2 pupils, parents and staff	Pupil instruction Parent workshops Staff updates	CH	Safeguarding	Nil	Staff update Sept 17 Whole staff trg May/Jun 18 based on revised KCSIE
3.4 Attendance over 96%	Pupils under 95% attendance to be managed via attendance process including letters, meetings and fines	CH	SLT	£600 (EWO)	Autumn - 96.12% Spring - 96.02%
3.6 Playground leaders (colour team sports leaders) support play time activities	Colour team sports leaders in place - play activities organised and supervised	HC/DF	CH	Sports funding/Sainsbury's vouchers	6 pupils completed course
3.7 Nurture schools award	Boxall profiles in place Play therapy and counselling in place. Track SEND pupils in line with passports.	LO CH - to inform Gov body on '6 principles' progress at gov mtgs	SLT/CH	£1K	
3.8 Boxall assessments in place	Assessments within all yr gps to underpin pupil assessment and management where reqd.	LO	SLT	Nil - part of Nurture school	Boxall workshop Nov 17 3 Jan - Boxall trg - EY 50%, other classes SEN only - increasing coverage
Current situation		Desired Outcome		Success criteria	
Behaviour management inconsistent. Increasing need to manage pupil and adult behaviour. Revised behaviour policy and parent code of conduct in place. E-safety an increasing concern (particularly use of social media) - range of pupil, parent and staff workshops undertaken. Staff in date for safeguard, school safe and e-safety training. Some Boxall profiles in use.		Staff updates for safeguarding, school safe and e-safety undertaken. Consistent approach to behaviour management in place. RRS used with Christian ethos to underpin behaviour expectations. Achieve Nurture Schools award. SEND provision mapping in place and monitored effectively. Boxall profiles routinely completed.		Increased engagement in classrooms - less disruption. Consistent approach to all behaviour issues maintained with greater communication across all stakeholders. Staff using RRS approach and pupils engaged with rights/responsibilities approach to behaviour management. Nurture Schools awards associated with behaviour management and academic progress/engagement benefits.	

To provide a sustainable fiscal plan, supportive to the teaching and learning needs.

- In year budget managed effectively and future budgets planned to support learning priorities
- 3 year budget based on National Funding Formulae and sustainable staffing levels

Priority 4					
To provide a sustainable fiscal plan, supportive to the teaching and learning needs.					
Target/Tasks	Actions	Responsibility	Monitoring	Funding and resources	Outcome and interventions
4.1 Indicative budget for 3 years (draft)	NFF predictions Projected staff costs	JV	Governing Body	Nil	NFF based draft budget Mar 18 - staff review/impact statements req'd
4.2 3 yr capital investment plan	ICT suite 2 replacement options Maintenance/buildings upgrade plan in place	CH	Premises/Finance	Funding subject to audits/scoping reports	ICT suite 2 review by Summer 18
4.3 Annual staff review	Staff review - Spring 18	CH	Governing Body	Nil	Initial report for Mar 18
4.4 Temperature control (aircon) provided to Y2 and 4 classrooms	Fit aircon to Y4/Y2	CH	Premises	£5K (capital) In place for Summer 18	Estimate from potential provider - average £3K per classroom. Year 4 priority but need ICT suite 2 decision before aircon - potential for classroom switch around
4.5 Replace lighting in KS1 areas not upgraded in summer 17 refurbishment	Replace light fittings in SENCo room, chatterbox/cloakroom (Y1) and cloakroom (Y2)	CH	Premises	(£3K - possibly from maintenance)	Aim for completion by Summer 18 - scheduled for Easter 18
4.6 KS1 roof areas - replace current membrane and remove water capture	Strip back membrane, redo pitch of roof, waterproof and ensure appropriate drainage	CH	Premises	£25K-£30K	Aug 18 - tender process underway
Current situation		Desired Outcome		Success criteria	
NFF expected 2018 - indication is 2.1% rise in GAG but impact on other income streams not known. Projection is for falling budget in real terms with consequential need to make budget cuts (predominately from staffing costs). Current staff savings being made through natural wastage. Capital investment in temperature control and ICT.		Stabilised budget prediction with ability to forward plan (particularly staffing levels and pensions liability). Governors to provide clear direction on future budget decisions. Adequate working environment in classrooms (temperature control)		Aircon fitted to Yr 2 and 4 classrooms. Chrome books in full use (upper KS2) Future ICT plan agreed Budget in place with capital investment underpinned by budgeted depreciation costs
