

Dear Parent, Carer

The majority of our school uniform is available to order online via our website - www.smpsac.org - just look for the Gooddies icon and you will be directed to their secure website for ordering. Order any time and they will pick up the orders on the 15th and 30th of each month and will deliver approximately 15 days after order collection. If you are ordering during term time they will deliver free of charge to school for distribution via the children or if the 15 day delivery time will take you in to the school holidays please ask for the home delivery which will carry a delivery charge but will arrive at your door. The only items kept in stock are the book bags and PE bags which can be obtained from the office with cash or a cheque payment (*to St Mary's CofE Academy*).

Please note that PE T-shirt colour is allocated by the school - so please check before purchasing as returns will not be accepted.
