

## Weekly Roundup – Friday 6th July 2018

**Note from Mr Haley** – The high temperatures are set to continue. Please ensure sun cream is applied before school and that your child has a water bottle. We will continue to adapt the learning to minimise the impact of hot classrooms and flagging children. So far we have coped well and the learning and enjoyment in school continues. Thank you to the PTA for after school ice creams!

**\*School Disco:** Friday 13th July - EY/KS1 – 4.00 - 5.30pm and KS2 6.00 - 7.30pm. Tickets on sale at reception on first come basis (limited to 150 for each session). £2 ticket.

**Early Years' Show:** The end of Early Years' show to families is on Friday 20th July at 9:30am. All are welcome to join us in the hall for songs and smiles as we watch our EY children finish their "EYFS experience."

**Summer music concert:** The date for this year's concert is 23rd July at 2pm. Letters will be coming home next week to reserve seats.

**Eco Council:** The canvas bags with images by Early years and KS1 are being printed for the end of term. There will be a letter from the PTA next week to allow you to order yours. Having seen the proofs I have to say that the images of how the children see themselves and the staff are very entertaining - Mrs Milner with pigtails?! The older children will be told on Friday how they can enter the competition to design a bag promoting the school's Eco- values.

**Mindfulness in action:** Early years children have been using a new resource called "Sitting still like a Frog" by Eline Snel to encourage some quiet reflective thinking. There are a number of examples of way this approach helps children with their learning available on line or through Youtube. Do have a look and see, you might find that you can create some moments of stillness and calmness at home in all this heat!

**Reading Café:** The next Reading Café is for Year 2 – Monday 9th July at 2pm in the Library or weather permitting the quiet garden, please arrive a few minutes early to allow for signing in. ***Please remember you are responsible for supervising your child throughout this event.***

**Pop-In Café:** It was good to see all who attended our Pop in Cafe today, we took time to look at relationship that our children have with their peers and how we can support them through these tough times.

**E.P.I.C:** We had a fabulous attendance on Friday evening at our Dad's and Kid's Club. Thank you so much to all who attended and to help us munch through the mountain of bacon rolls and doughnuts! From your requests, we plan to hold a second session in the Autumn Term. Also, we would like to start a Mum's and Kid's Club too so keep an eye out for this next term mums!

**Year 5:** We are looking for any pieces of unwanted fabric A4 size or bigger for a DT project on the last two days of term. Material can be brought to either year 5 classroom at your earliest convenience.

**Year 6:** On Thursday 12th July, Year 6 will be heading by coach to St Christopher's at Red Lodge for a morning of transition activities with other children heading to MCA. This is an opportunity for the children to become familiar with others who will be in their year group next year before their transition days at MCA. Children have already had an opportunity to mix at St Mary's for a morning on Friday. They will just need to take water bottles as we will be back at school for lunch.

**Summer Holiday Club:** There are still places available for the Summer Holiday Club with Mr Farnham. Come and join the fun and games on Wednesday 25th to Tuesday 31st July 10.00 until 3.00pm – more details are available in the letters held in reception.

**For Diary Dates 2018 see page 2**
