

## **Music**

### **Intent**

At St Mary's Academy we want our children to learn about a diverse range of music and use this knowledge to create music that is meaningful to them. We want to nurture confident, reflective musicians by listen to and responding to different musical styles, helping children to find their voices as singers and be performers and composers.

We will:

- Enable every child to develop and progress in terms of their social, moral, spiritual and cultural development
- Provide meaningful opportunities for learning
- Develop curiosity and creativity in our children
- Motivate love and enjoyment in music
- Enrich our children through trips, visitors and experiences

### **Implementation**

Our Kapow Primary Music Curriculum ensures we are able to fulfil these promises by:

- Ensuring full coverage of the National Curriculum
- Providing a spiral curriculum organised around the interrelated dimensions of music
- Aligning teaching with the non-statutory Model Music Curriculum through four key strands; Performing, listening, composing and history of music
- Providing whole class instrumental lessons for Key Stage 2
