

## How to find accelerated reader books using the SORA app.

Launch the SORA app <https://soraapp.com/library/ukprimary>

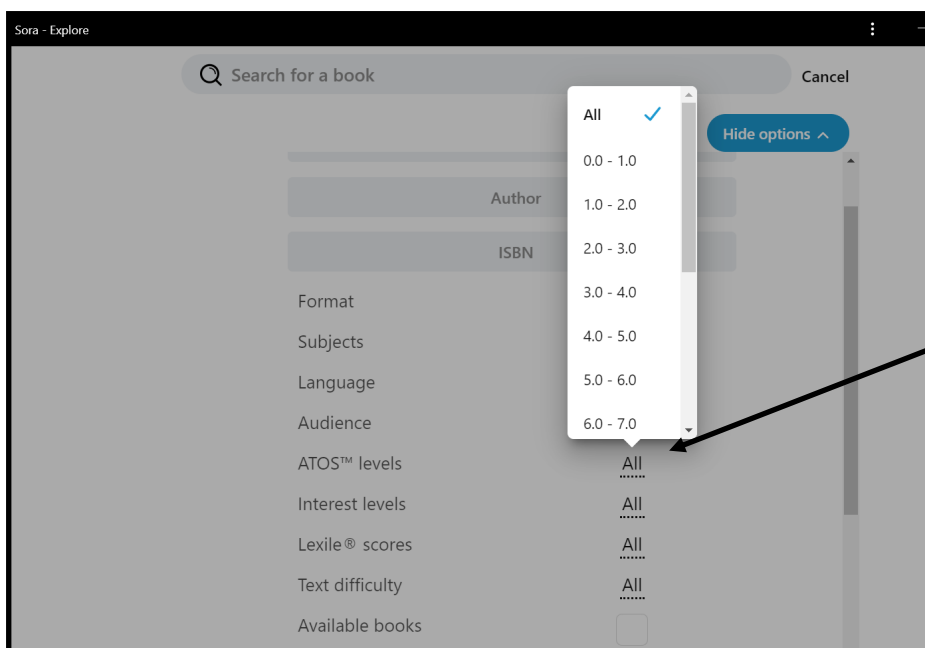

You can log in with your child's Google Classroom username and password.

Click in 'Search for a book' box.

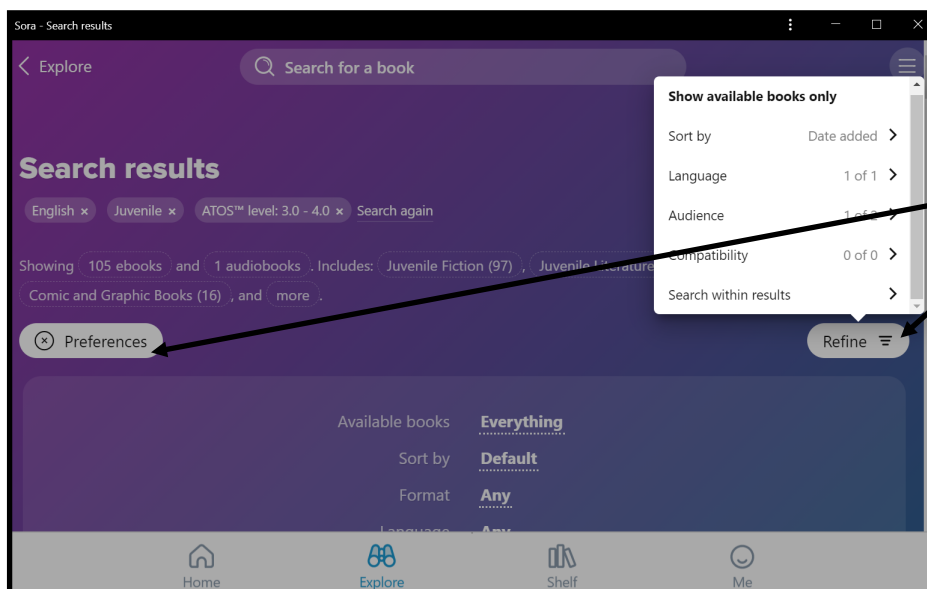

Click on 'More options'.

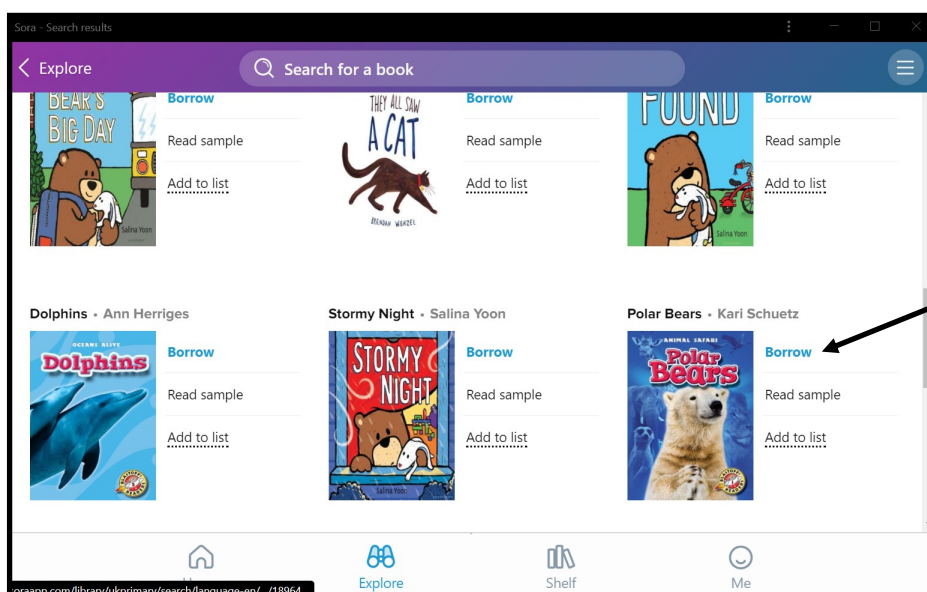

Select the appropriate 'ATOS level'.  
Class teachers will send you details of your child's ZPD (ATOS) level.

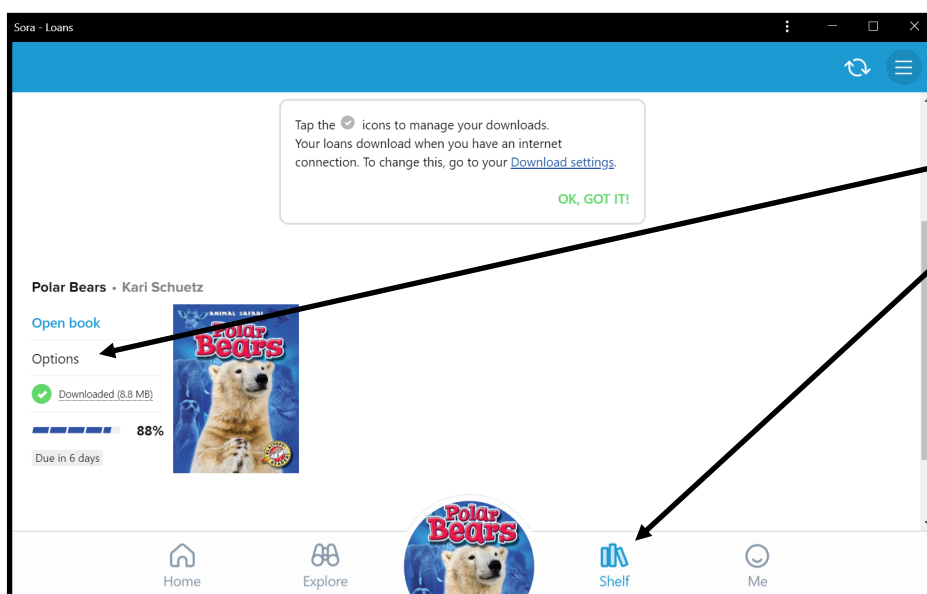

Scroll down and click on search.

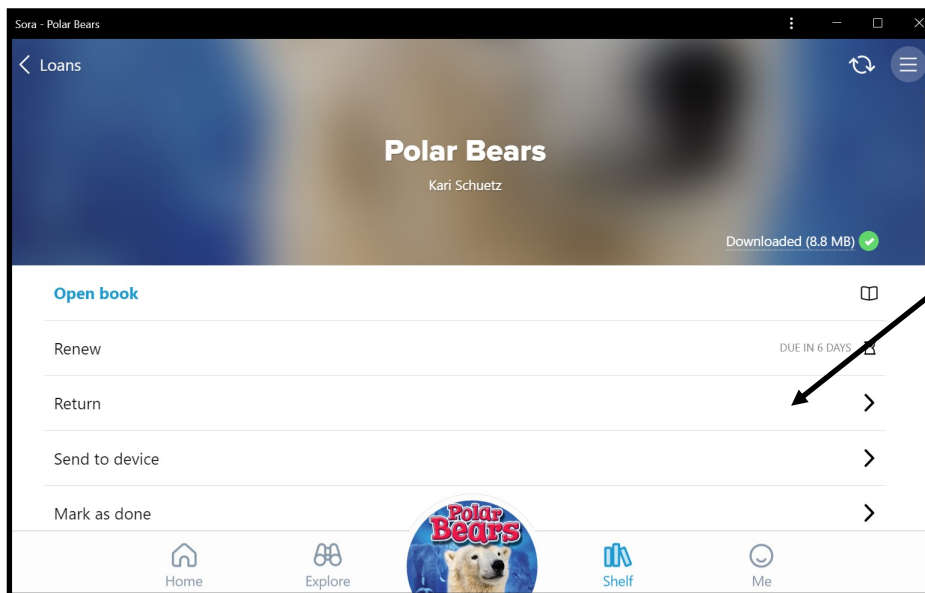

Use 'Refine' and 'Preferences' to narrow options.

Click on 'Borrow' to read a book.

View the books you have on loan by clicking on 'Shelf'. To return a book, click on 'Options' below the book title.

Click on 'Return' and 'Return' on the next page.  
You can now search for a new book that you would like to read.

*Happy reading.*
