OCTOBER

at St Mary's Church of England Academy

Sporting Tournaments

A huge well done to our players who took part in the U11 Girls Competition and the U11 Boys Development Competition!

While neither squad managed to progress past the group stages, both teams showed fantastic resilience, great sportsmanship, and brilliant teamwork out on the pitch. They represented the school with immense pride, and we couldn't be prouder of their effort and positive attitude

Year 5 Bible Presentation

This month, both Year 5 classes had their class Collective Worship at church where every child was presented with a bible.

Visitors to Early Years

This month, our Early Years have had the chance to meet a paramedic and a policeman, both came into the classes to talk to the children.

The children also had a visit from Little City, where the children can play make believe with a fire station, vets, supermarket and much more.

All visits were a great success and the children thoroughly enjoyed it.

Harvest Church Service

Thank you to everyone who was able to donate something to our Harvest Church Service. It was amazing to see the generosity around the school.

The service included a mix of interaction from the children and hymns.

Thank you to all the volunteers that also came along.
